

20th Annual Hand Surgery Symposium: Call to Arms - #Tweets to Treat

Philadelphia Meeting
March 24- 26, 2018

Hand Rehabilitation Foundation is proud to present in 2018 the 20th Annual Hand Surgery Symposium entitled **Call To Arms - #Tweets to Treat**. Continuing the tradition begun in 1974 and repeated each decade since, the Hand Rehabilitation Foundation's Philadelphia Symposia 2018 will explore treatments for the management of common and complex upper extremity problems. Didactic presentations will provide the framework, and cadaver surgery demonstrations will provide the picture of anatomy and techniques of management with unparalleled clarity. Exhibitor sponsored bioskills labs are offered to provide to a captive audience demonstrations and hands-on experience with the latest in technology for hand, wrist and elbow surgery.

Target Audience: Hand Surgeons, Orthopaedic Surgeons, Plastic Surgeons, Microsurgeons

◆ Bioskills Lab ◆ ***Intent to Participate***
