CARPAL DIEM!

The Philadelphia Hand Rehabilitation Foundation is proud to present the 19th Annual Hand Surgery Symposium, which will provide a comprehensive exploration of tried and true, as well as new treatments for the management of diverse wrist and hand problems presented by an internationally renowned faculty. Didactic presentations will provide the framework, and cadaver surgery demonstrations will provide the picture of anatomy and techniques of management with unparalleled clarity. Exhibitor sponsored training labs will be offered as in previous years to provide demonstrations and hands-on experience with the latest in technology.

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The University of Colorado School of Medicine and the Hand Rehabilitation Foundation. The University of Colorado School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

CME CREDIT

The University of Colorado School of Medicine designates this live activity for a maximum of 26.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

At the conclusion of this activity, the participants will:

- Implement and perform the varying surgical techniques observed and practiced through the surgery demonstrations on wrist and hand injuries
- Evaluate the latest treatment strategies of wrist fractures and amputations
- Assess the most effective management of carpal injuries and consider the options for treatment
- Improve their knowledge and understanding of the clinical presentation, management and rehabilitation for hand and wrist pain
- Develop the surgical skills acquired and practiced during the meeting
