Saturday, August 28, 2021 | 8:00am to 12:00pm OR 1:00pm to 5:00pm
Saturday, October 23, 2021 | 8:00am to 12:00pm OR 1:00pm to 5:00pm
Saturday, December 4, 2021 | 8:00am to 12:00pm OR 1:00pm to 5:00pm

DESCRIPTION:

The Hand Rehabilitation Foundation is proud to present an orthotic fabrication skill building workshop series designed to develop skill in the design and fabrication of orthoses for the upper extremity. Based on the curriculum of the Evelyn Mackin Fellowship in Hand Therapy, indications for each orthosis, techniques for fabrication, and modifications for different diagnoses and clinical circumstances will be presented. Treatment guidelines for orthosis use and wearing schedules depending on diagnostic protocols will be discussed. In an “up close and personal” learning environment, the participants will fabricate 3 orthoses per session with the assistance of PHSC CHTs. The specific orthoses presented reflect what is most commonly requested in a hand therapy clinical setting. Handouts and patterns will be provided.

FACULTY:

- Terri M. Skirven, OTR/L, CHT
 - Lauren M. DeTullio, OTR/L, CHT
 - Marianne Dunphy, OTR/L, CHT
 - Colleen Burke, PTA
- Registration is limited to 10 each session and is offered on a first come first served basis. Workshop registration is non-refundable.
 - Workshop registration fee is \$375 and includes all orthotic fabrication materials.
 - Continuing education certificates will be issued for 4 contact hours.

SATURDAY, AUGUST 28, 2021

Skill Level: Beginner-Intermediate

8:00 am – 12:00 pm

1:00 pm – 5:00 pm

Orthoses

Wrist orthoses

Thumb spica orthoses

Hand based thumb orthoses

SATURDAY, OCTOBER 23, 2021

Skill Level: Intermediate

8:00 am – 12:00 pm

1:00 pm – 5:00 pm

Orthoses

Radial/Ulnar gutter orthoses

Dorsal finger extension orthoses

Resting hand and wrist orthoses

SATURDAY, DECEMBER 4, 2021

Skill Level: Intermediate

8:00 am – 12:00 pm

1:00 pm – 5:00 pm

Orthoses

Trigger finger orthoses

Mallet finger orthoses

Relative motion orthoses
