 - Orthotic Fabrication Post-Course (Beginner Level) – March 21, 2023 - Sheraton Downtown Philadelphia Hotel

Will you be offering a virtual Symposia in 2023? Yes! We are offering our 2023 symposium as a virtual **on-demand** experience. **This is NOT a live-streamed event.** **Virtual content will be available 3-4 weeks after the in-person meeting.** Virtual attendees will be able to view general sessions as well as a select number of concurrent sessions. The virtual programming will allow attendees to earn up to 22.25 contact hours. Content will be available through December 31, 2023; however, certificates must be claimed by June 30, 2023.
