

Orthotic Fabrication SKILL BUILDING WORKSHOP

THE HAND
REHABILITATION
FOUNDATION

Saturday, November 4, 2023 | 8:00AM – 5:00PM

Hand Therapy Learning Lab at the
Philadelphia Hand to Shoulder Center
950 Pulaski Drive, Ste 100, King of Prussia, PA

PHILADELPHIA
HAND TO SHOULDER
CENTER Formerly The Philadelphia & South Jersey Hand Center

DESCRIPTION:

This full day program includes demonstration and participant fabrication of 7 contracture correction orthoses including:

- Elbow Contracture: Static Progressive Elbow Flexion Orthosis
- Wrist Contracture: Static Progressive Wrist Extension Orthosis
- MCP Joint Contractures: Static Progressive MCP Joint Flexion Orthosis
- PIP Joint Flexion Contracture: Static Progressive PIPJ Extension Orthosis
- PIP Joint Flexion Contracture: Serial Plaster Casting
- Relative Motion Orthoses for Active Redirection or Flexion and Extension
- Thumb Web Space Contracture: Serial Static Web Stretcher

The workshop will begin with a didactic presentation reviewing basic principles of orthotic fabrication. Each orthosis will then be presented with a discussion of the indications and rationale for the specific orthosis and step-by-step description followed by a demonstration. Each participant will then fabricate the orthosis with a partner.

Each participant will fabricate all 7 orthoses. Handouts with detailed description of orthosis fabrication will be provided. The workshop is intended for intermediate level participants.

FACULTY:

- Terri M. Skirven, OTR/L, CHT
- Lauren O'Donnell, OTR/L, CHT

- Registration is limited and is offered on a first come first served basis. Workshop registration is non-refundable.
- Workshop registration fee is \$500 and includes all orthotic fabrication materials.
- Continuing education certificates will be issued for 8 contact hours.
- Continental breakfast is included.
Lunch is not included.
